1990-1991 Yearbook, Vol. XXX

CLASS OF 1991 SOPHOMORE SEMI - FORMAL

THEME: "WHEN I'M WITH YOU"

DATE: FEBRUARY 10, 1989

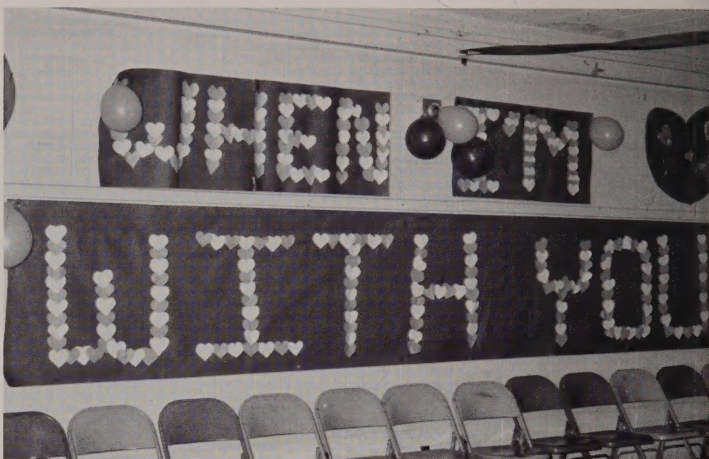

PLACE: D-R CAFETERIA

We, the class of 1991, brought back the popularity of the Sophomore Valentines Semi-Formal. Amongst us was a vast array of wild decorations and a buffet style snacking table. Chestnut Hill Studios was there to do prom style pictures. To help us remember our Sophomore year, we chose as our theme song "When I'm With You", by Warrent.

Also, in our sophomore year, we held a car wash which added significantly to our treasury. Sophomore year was a special year. For the first time, the sophomore class became a solid Spirit Week contender. We could feel victory in our bones.

In our Junior year we brought back the popularity of dances. We sponsored several, including a Spirit Week Kick-Off dance. Our Prom was held at the Somerset Lodge, and after, the first ever D-R Post Prom Party, sponsored by the Peerleader Parent Advisory Group, was held at the Newman YMCA. At the Post Prom Party we were treated to tons of food, a stand up hypnotist, movies, games, swimming, and prizes.

The class of 1991 gets along as a family. No matter who you are, you fit in. This class wants to go out and have a good time, but each and every one of us has the ability to go out and succeed in whatever we do!!

Remember the good old days!!!!

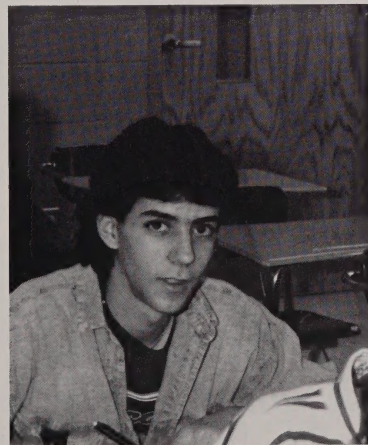

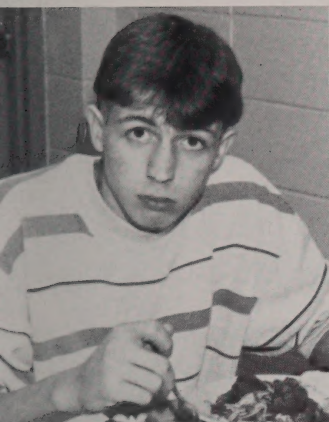

If I get too close he will step on my feet

I hope I didn't draw too much blood!

NO! You cannot take my picture

CLASS OF 1991 JUNIOR PROM

THEME: "I REMEMBER YOU"

DATE: MAY 5, 1990

PLACE: SOMERSET LODGE

Waiter we could use another round at this table!!

Looking at peoples shoes is better than dancing with you..

Could this be love?

Just pretend we weren't doing anything!

Life of the party!!!!

No, this is not my date!

Top 10 reasons to go to the Prom

10. It beats the mall!
9. Easiest way to borrow the folks car
8. You can abuse the tuxedo...it's rented
7. It's the one night you can stay out 'til dawn and not get in trouble.
6. Someone has to use the Clearasil in the top bathroom drawer .
5. Bowling isn't in season.
4. Gives you the chance to pose for pictures!
3. It's Morp spelled backwards.
2. Might as well have one date during high school.
1. Prom favors last forever -- even if you dump your date.

JUNIOR PROM

Photograph us at will!!!

These are cheap!

No, Tony we are not doing anything after the prom!!

Strike a pose there's nothing to it.

We know you're crazy, and we know you did it!

Why doesn't the photographer go away?

Ah Dumke, there is something moving

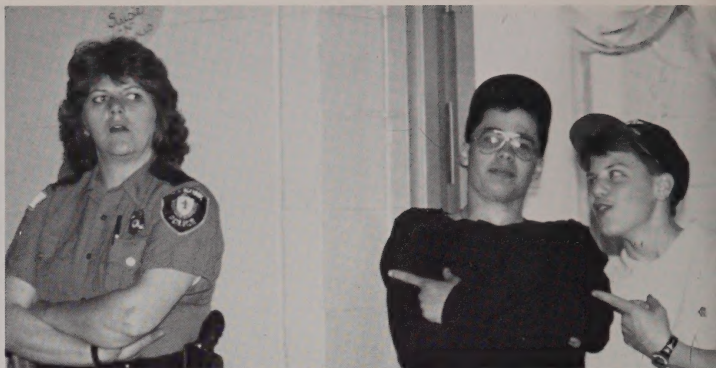

Do the bunny hop

CLASS OF 1991 POST PROM PARTY

THEME: "I REMEMBER YOU"

DATE: MAY 5, 1990

PLACE: NEWMAN YMCA

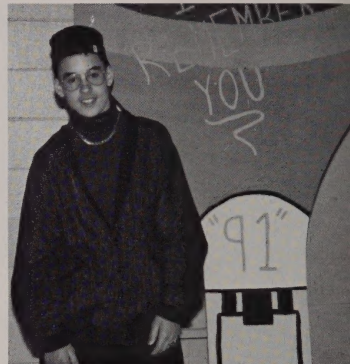

I'll find those kids yet, no one messes with ROBOCOP!

I'm revising the electric slide

Jealous?

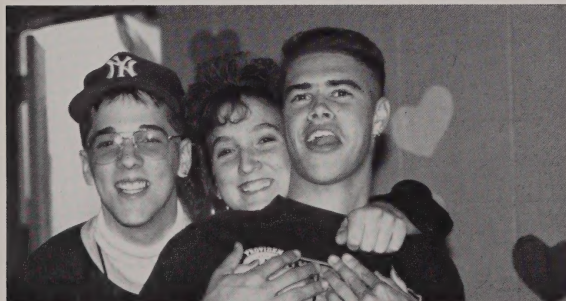

I need a radio

Wonder if I can fit it down?

Your coming with me!!!!

I think it's time I show them who's boss around here!!

Do you see what I see?

NOW WE ARE SENIORS

OUT TO LUNCH

To the class of 1991, We wish you the very best in all you do. Don't ever forget where you came from!!!

Good Luck in the future and take it easy. To all, true happiness and success. We hope all your dreams come true. Don't ever forget you can make a difference!!

ADMINISTRATION

Congratulations on your graduation. I wish you much success and happiness in pursuit of your future endeavors. Success is whatever you want it to be that is worthy of you. As you pursue these ideals, I offer you this simple advice:

1. Never make excuses. Do not blame others or yourself for your problems or possible failures. Overcome them; prevail, right where you are.
2. Never try. Successful and happy people do not try to do something, they just do it.
3. Be people oriented. Joy and satisfaction will come when you are serving and helping others.
4. Be action oriented. Do not sit around waiting for something to happen. You will be at your best when you are thinking, planning, and working to reach your goals.
5. Be goal oriented. If you have a vision of what you want to achieve, the vision or goal will carry you over any obstacle. You will be successful and happy as long as you continue working toward something you want to bring about in your life.

Sincerely,
Richard W. Kisiel
Superintendent of Schools

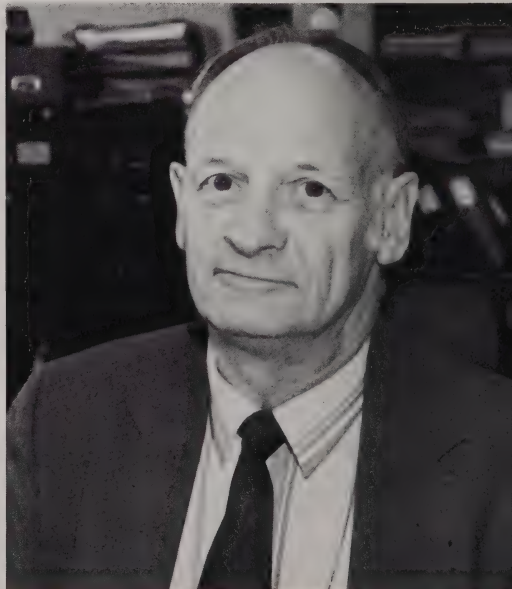

To The Class of 1991:

We have enjoyed your stay with us. I hope that you will have cause to look favorable on these past four years. I hope that each of you is well prepared for whatever change you must face.

I am sure that many of your teachers have made an impact forever on your lives. Surely the friends you have made will give you many memories that you can cherish throughout your lives. The good times at school, the hard work, the togetherness, and the successes should give each of you pleasant memories of D-R for years to come.

In saying good bye to the class of 1991, I wish you continued happiness, good health, and success in the future. I hope that you are taking with you many fond memories. Sincere best wishes for a rewarding future.

Mr. Marshall Sawyer
Principal

Congratulations to the Class of 1991! Graduation is here and new beginnings stretch before you. Cherish your dreams and set your goals. Life is wonderful and exciting and challenging! The knowledge and values gained during the past four years are valuable tools to use in the future. Take each day and live it to the fullest with wisdom, understanding, and compassion.

May the years ahead be filled with happiness and promise.

Best Wishes to All.

Sincerely,

Mr. Francis Marcille

Assistant Principal

Director of Occupational Education

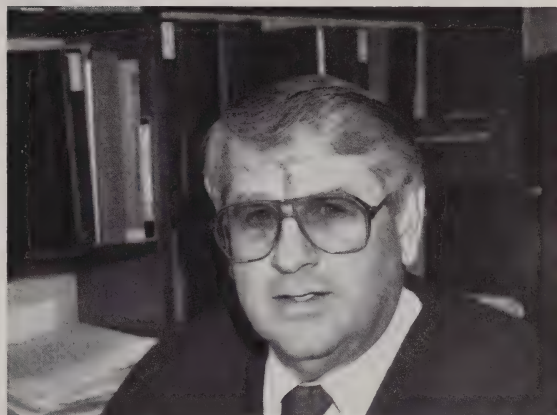

To Members of the Class of 1991:

Best wishes to each and everyone of you as you leave Dighton-Rehoboth to make your place in the world. Hopefully, what you have learned and experienced will prove most helpful to you in achieving your goals. There are and will continue to be many obstacles to overcome. These are a part of everyone's life. Don't let large or small setbacks discourage you along the way. Life has many more ups and downs. Whatever it is you choose to do, do it to the best of your abilities. Study and work diligently; but take time to smell the roses.

Mr. George H. Petrin

Assistant Principal

Yesterday we were frightened minnows,
Lost in a terrifyingly unfamiliar world,
Uncertain of the future,
Not daring to swim alone,
Millions of conformists, all alike,
Struggling to break free from the confines of
a single harborage.

Today we are confident dolphins,
Adventurously probing unknown depths,
In control of our own destinies,
Knowing that we hold the key to our future,
Striving to maintain our exclusive identities,
Not having fully satisfied our curiosity.

To the Class of 1991 - I wish you the very best, now and always.

Faculty Advice to the Class Of 1991

Carpe Diem - Mr. Cuthbertson

Life is a series of problems; when you solve one, another will take its place. Find pleasure with the ones you have - Mr. Laffoley

These are difficult times we live in. Society holds so much in store for each of you. It would be my wish and hope that you all continue to grow as individuals as well as contributing members of our troubled society. Concentrate on giving rather than taking. Who knows? When you are out there in the REAL world something you learned or were exposed to here at D-R might just contribute to you making the world a better place for all of us. Good luck and best wishes. - Mrs. Corry

Always remember to build fun into your day and develop a support system to share your life with. - Mrs. Guibeau

Money isn't everything. Prepare yourselves for a career that will make you happy. - Mrs. Carter

Hold onto your memories of D-R and remember to keep the friends you have now as valuable assets in the future. - Miss Furtado

Set your goals high and strive to attain them. Be yourself and enjoy life. Opportunities for you to improve our society abound and you have tremendous potential to make a difference. - Mr. Field

RUN!!!!!! - Mr. Holmes

It's tough out there..... you have to be able to roll with the punches. - Mr. R. Duarte

Live most and serve best. - Mr. Murray

Find the humor in life. - Mrs. Laffoley

Like yourself and be happy with and proud of yourself, for you can be certain of this: You are the one person you'll definitely be living with for the rest of your life. - Miss E.A. Rice

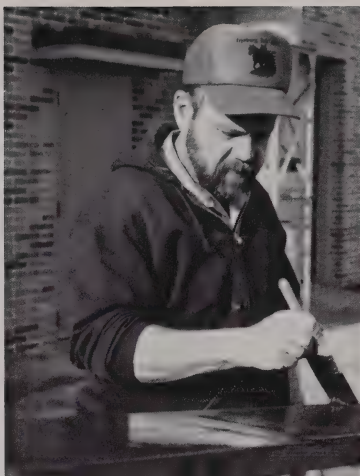

Several members of the D-R High
School Staff retired in 1991

Mrs. Watson-Art Dept.
Mr. Lawrence- Voke Director
Mrs. Dwyer-School Nurse
Mrs. Foley-Science

We wish them a happy, healthy, and
safe retirement. Thanks for all your
influence and support, in your time here
at D-R!

The National Honor Society consists of academically talented Seniors and Juniors who display aspects of scholarship, leadership, character, and service. This year we had 15 Seniors and 26 Juniors. N.H.S. has helped the community in several ways. This year we raised money for the Citizens Scholarship Fund at the Rehoboth Fair. We also raised money for the American Heart Association this spring. In addition, we are always available as in school tutors for many students. The National Honor Society officers are;

Julie McBride, President
 Tanya Benoit, Vice President
 Heather Wyrostek, Secretary
 Matt Dumenigo, Treasurer

and of course, we are led by an outstanding advisor, Mrs. B. Carol Day.

The Student Government consists of 46 members. The Student Government represents the students and protects their rights. The government held fundraisers and made donation of money, clothes, and food to the poor. They also donated \$500 to the Dighton Middle School after the fire. This year is a very important year because the Student Government will bury the two year project, the time capsule on May 19th 1991. The Student Government plays a big role in the legislature of our school.

Oh Kurt, Grow Up!!

The Drama Club performed two productions this year. The first production, "Something In The Air Feels Like Tomorrow" was performed on December 5, 1990. This play contained messages directed towards a teenage audience. Our second play is very different. "The Sound Of Music" is a high cost musical production which opened on April 5, 1991. A great deal of hard work has been put into this production and we are expecting a great success.

Even on formal occasions we study math!

This year, the Math Team performed fairly well. It competed in the two leagues: The Southeastern Massachusetts Math League (SMML), and The Southeastern Massachusetts Conference Math League (SMCML). In the SMML, the team placed 12th, but did not qualify for the playoffs. However, in the SMCML, the team tied for 4th place, and it is eligible to compete in those playoffs (results to be determined). Advisor, Alan Rabouin feels that with more practice and dedication, the team has the potential to prevail in the future. He stated that "Next year's team has the talent to be one fo the best teams in D-R history." Anyone interested in math may join the Math Team, and in the fall Mr. Rabouin will welcome new members.

The 1991 *Aurora* underwent a number of changes--- the most significant being the cover, which, for the first time ever, features a metal applique'. Like last year, the book itself was produced on Aldus Pagemaker, a desktop publishing system that affords the staff greater latitude in designing pages, setting type, and editing copy.

Special thanks are due a number of very hard-working people who sacrificed a great deal of time putting the final version of the book together. These include Bethany Coburn; our co-editor; Cheryl Digits, who did most of the sports copy, many of the captions, and much of the proof reading; Denise Breault and Jill Collins, who, among other things "helped keep Jenn sane"; and our underclass editors, Jenn Lombardi and Meredith Haskell. Last but certainly not least, the most credit goes to our editor, Jennifer Biss, who found the time and energy to coordinate the many details of this undertaking.

Hope I'm not too late for the yearbook picture!!

FOOTBALL

The 1990 D - R Varsity football team was very competitive within the South Coast Conference. The team finished with a 3 - 3 - 2 record within the league.

For excitement value, the victory over New Bedford Voke would be hard to match. Playing their first game at the new athletic complex, the Falcons rallied from a 20 - 8 fourth quarter deficit to defeat the Artesians 21 - 20. Halfback Jason Dumke took a touch down pass from quarterback Joe Hamilton that allowed for the big win. Later in the season a powerful Wareham squad came to D - R but was only able to walk away with a 14 - 14 tie. On that day, the Falcons played their best football of the season containing the stingy Wareham offense with a potent defense lead by George Korentis and Tim Holt. Halfback Jason Dumke provided the offensive spark with 2 touch down runs. The Falcon defense concluded the season with consecutive shut out wins against Apponequet 14 - 0, and Seekonk 7 - 0. Juniors Dan Bearce and Dean Spunzo were the leading tacklers for the Falcons.

On Thanksgiving, the Falcons ground game lead by fullbacks Kevin Gousie and Pete Monteiro controlled the tempo of the game. The only score in the contest, however, came on a 19 yard second quarter run by halfback Andy Fyfe. The Falcon defense preserved the shut out and the win.

SOCCER

In their third year of competing at the varsity level, the soccer team finished with a 7-8-3 record. Captain, Joe Silva, and Matt Dumenigo were named to the All Star SCC squad. Matt led the team in scoring with 14 goals and Joe, for the second straight year, was voted as one of the top five players in the league. Jason Tibbetts and Brendon Lynch also had great seasons and earned Honorable Mention status. The highlight of the season was a come from behind tie with Bishop Connolly, scoring two goals in the final three minutes.

Overall the JV season was extremely successful. With a good number of returning players, we were able to improve a great deal upon our record (6-6-1) from last year. Our defense was the key factor in improvement. Last year we allowed 22 goals to be scored on us while this year we only allowed 8 goals. However, our offensive output was not such a significant difference. Last year we were able to score 17 goals and this year we were able to score 19. While we were able to improve upon the number of goals scored, we still missed on many opportunities, too many opportunities. With many returning JV players moving up to the varsity level next year, we must work on our scoring ability. Our defense has continued to improve from year to year, but playing at the varsity level is an entirely different type of game. Our speed and physicalness must improve if we are to hold varsity opponents to the number of goals that we are accustomed to. With 13 graduating seniors, there will be many spots open on the varsity team. While we will be forced to fill those slots with new young players, don't think that just because you are a JV starter or just because you are a sophomore or junior that you will automatically be a varsity player. We need to have every player continue to improve and to improve even more than last year, if we are going to be successful.

FIELD HOCKEY

The field hockey team enjoyed another very successful season finishing in second place with a 9-2-4 overall record. After losing nine players from the 1989 squad the Falcons jelled into a fine unit and qualified for state tournament play for the fourth consecutive year under Coach Waletkus. Julie Szala led the attack with 9 goals and 5 assists and Kerri Lopes recorded 162 saves of 171 shots on goal for 95%. Both players were named to the South Coast Conference All Star Team along with Amy Vine and Meghan Sullivan. Kerri Lopes was voted the number two player in the league. Team Awards were as follows:

MVP - Offense: Julie Szala

MVP - Defense: Kerri Lopes

MIP: Dawn Sears

The Falcon varsity volleyball team continued their success in 1990 when they qualified for the state tournament for the fourth straight year. This year's 15-5 team was lead by All Star Setter Cheryl Digits who, with Leigh Landry, ran the Falcon offense. The Falcon offense was one of the most potent in the area behind the hitting of All Stars Meg Saxon and Diana Lund. Meg Saxon was also selected Most Valuable Player by her peers. These four seniors were joined by fellow senior Laurie Dingley who helped bolster the Falcon offense. Cheryl Digits, Meg Saxon, and Diana Lund were also selected to a variety of area All Star Team with Cheryl topping the list by being selected first team to the Providence Journal and second team to the Boston Globe.

Backing up these 5 seniors were 5 underclassmen. Junior Lindsay Carroll and sophomore Tina Lund started for this year's squad. Juniors Stephanie Jaworek and Tabitha Pimental with sophomore Stacie Kimmell also saw ample playing time and will lend experience to next year's squad.

Overall Record 6 - 2

Finished 3rd Place

Even though the Boy's Cross Country Team lost six of its top seven varsity runners because of graduation last year and the Girl's Team lost three runners, both teams finished with respectable records of six wins and two losses, the best ever by a Falcons' Girls' Cross Country Team. Both teams earned more awards in Invitationals and State Meets and had more runners selected to All-Star and All-Scholastic Teams than any Cross Country Teams in Dighton-Rehoboth running history.

The Girls' Team was once again led by the Boston Globe All-Scholastic Runner-of-the-Year and co-captain Cary Hollinshead, who won the Eastern Massachusetts Division III Champion for the third successive year and the State Champion in the Small School Division. Cary was heavily supported by a group of strong freshman runners — Bethany Giles, Katie Hawksley, Jessica Charbonneau, Laura Spellman and Sara Mendrychowski, in addition to the fine running of junior Jennifer Benoit, Amy O'Connell, Kerry Angus, sophomore Jennifer Dessert, and especially senior co-captain Sara Charnecki whose leadership and efforts inspired all members of both teams. In fact, the Girls' Team finished in second place in the Eastern Massachusetts Division III Championships and eleventh in the State Championships in North Attlefield, Massachusetts. The boys' Team was led by sophomore co-captain and Boston Herald All-Scholastic Aaron Kennon, who was likewise undefeated in South Coast Conference competition and the sixth best runner in the Massachusetts Small School Division. Following Kennon was first year junior runner and South Coast Conference All-Star Chris Silvia, who made outstanding contributions throughout the season. Senior Co-captain Jared Gailes and twin brother Joel were likewise instrumental in the Falcon boys' having such a successful season, in addition to sophomores Matthew Killam, A. J. Belcher, and Richard Saxon. Freshman Tim Charnecki proved to be one of the top runners not only on the Falcon Team but also in the Conference. Also, Tim was supported by a very promising group of other freshman runners — John Brochu (varsity runner), Sean Moody, Joshua D'Antuono, and George Solas.

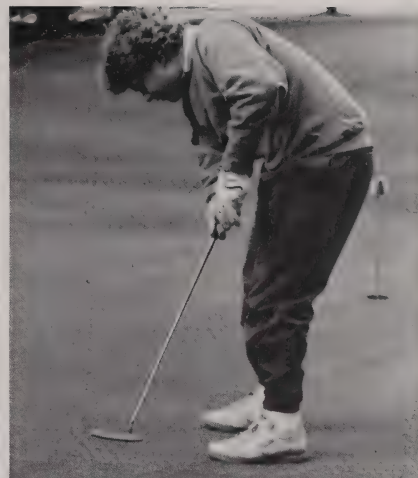

With such a successful season in 1990 and with so many young athletes, both Teams, through hard work, pride, and confidence, will most assuredly bring additional good fortune to Dighton-Rehoboth in the years to come.

GOLF

This year's golf team finished with a record of 4 wins and 14 losses. Seeing a great deal of action during the season were senior Manny Reis, juniors, Dave Glynn, Chris Jarvis and Aaron Panofsky, sophomores Brian Wade, Scott Irving, Matt Perra, Brian Hathaway, and Derek Anderson. Freshmen Lee Jaworek and Jeff McBride played in several varsity matches while sophomore Jon Spelman and freshman Greg Leffort showed great improvement. Highlighting the season was Dave Glynn's selection to the SCC All Star Team.

How do I get out of this mess?

Can I get it in the wabbits hole?

SCC Record 2 - 14
 Overall Record 4 - 16

The 1990-91 D-R boys' basketball team's 8th place SCC finish and 4 and 16 overall record were not a true measure of the team's accomplishments. Entering the season with very little varsity experience, the Falcons worked extremely hard and were able to compete very well with all of the opponents on our schedule.

Senior leadership was provided by Captain Joe Silva, George Korentis, Scott Courcy, and Tom Ramos. Juniors Chris DeMello and AJ Ferreira were the team leaders in scoring and rebounding respectively. Fellow classmates Jeff Tracey, Brian Caldwell, and Marc Brochu all made significant contributions to the team, as did sophomore Tony Maddix.

In the final four games of the season, the Falcons were able to come away with two victories. In addition, the two losses came at the hands of both Apponequet and Seekonk, eventual league champions, in two well played and very competitive basketball games. The final four games of the season truly demonstrated the improvement made by the team over the course of the season.

At the winter banquet, AJ Ferreira received the team's Most Valuable Player Award, George Korentis was named the team's Most Improved Player, and Joe Silva was the recipient of the Coach's Award. The 90-91 Falcons can look back at their season and be very proud of their efforts, their teamwork, and their undaunted positive attitude.

GIRLS' BASKETBALL

The 1990-91 Lady Falcons Basketball Team finished the year with a 6-14 record. Despite the losing record the team played some inspired ball during the season. The season was also highlighted by the individual accomplishments of several players. Tri-Captain Julie Szala became the school's second leading scorer with a career total of 867 points. During the season Julie averaged 11 points per game. Tri Captain Meg Saxon was the team's second top scorer this season averaging 10 points a game while also gathering in 12 rebounds per game. Meg was the team's only selection to the South Coast Conference All-Star Squad. The entire squad, behind the leadership of the Tri-Captains Meg, Julie, and Tanya Benoit, experienced a fine season. With so many enthusiastic and interested young players on the Falcons' squad, the future looks bright for Dighton-Rehoboth Basketball.

Gimmee it!

December 5, 1990

"Something in the Air Feels Like Tomorrow" was put on by the Drama Club, Peer Leaders, Student Government and Sound Impressions. It was performed for all D-R students during the regular school day with an evening performance open to the public.

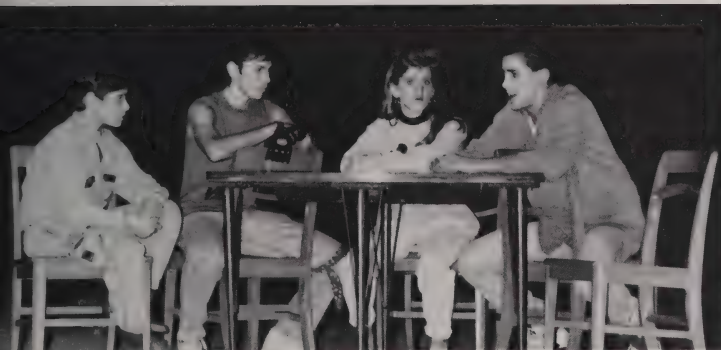

"Something in the Air Feels Like Tomorrow" is a play for and with young people between the ages of 13 and 18. Although their presence is sometimes felt, no adults ever appear on stage. The play acknowledges a reality made up of peers. Its message is: YOU ARE NOT ALONE. The struggles are genuine, and growth is realized through one young person reaching out for another.

Playing one of the most challenging schedules in the school's history, the baseball team completed an exciting 13 - 7 regular season, finishing in third place with a 10 - 6 conference record. The team's strength was its offense as the Falcons averaged over eight runs a game and batted .326 as a team. Josh Parenteau led the hitters with a .444 average and 21 RBI. Joe Hamilton hit .378 with 4 home runs, 25 RBI, Chris Demello .351, Matt Bouchard .343, Manny Reis .307, 5 homeruns, 23 RBI, and Brian Merrick batted .295 with 16 RBI. Heath Jennings was the stalwart of the pitching staff with a 7 - 1 record.

UUMMMPPPHH!!

YYYYAAAAAHHHHHHHH!!

With a 5 and 3 record, this year's Boys' Spring Track Team fared very well in its first year on the new track and field facility. Led by Senior Co-Captains Tim Holt and George Korentis, the team earned upsets over both Wareham and Case High Schools. Outstanding performances in the field events were achieved by Junior javelin thrower Dan Bearce, who not only won the South Coast Conference Championship but who also placed third in the Eastern Massachusetts State Class C Championships; Senior weightman Tim Holt who won the discus throw in the South Coast Conference Championships and placed second in the State Class C Championships; and junior high and triple jumper Jeff Tracey who was the South Coast Conference champion in the triple jump and placed 2nd in the high jump in the State Class C Championships.

Other commendable performances were turned in by sophomore Andy Fyfe in the long and triple jumps and the sprints; Seniors Paul Borkowski in the sprints and pole vault, and Jim Kenneally in the javelin, who placed 6th in the Eastern Massachusetts Class C Championships and who ran the middle distances during the regular season; and Senior surprise Jon Valvano, who did an outstanding job in the 400 meter and the 1600 meter relay.

Sophomores Brendon Lynch and Steve Lacy, Junior Chris Silvia, and Freshman standout Tim Charnecki all represented the Falcons in the long distance races. Because of a stress fracture in mid-season Sophomore runner Aaron Kennon, a South Coast Conference All Star in his Freshman year, was able to compete in only four dual meets this year, losing only one of the nine individual races in which he competed.

Even though the Falcons are losing some very valuable athletes to graduation, there is great, but wary, optimism for the 1992 Spring Season, especially with so many fine athletes returning.

GIRLS' TRACK

Strong team performances during the second half of the season gave the Falcons a 7 - 2 record. This outstanding record for the young Falcons included 3 meets won in the last event. Probably the most memorable victory, however, was the team's 1st win over Seekonk High School. All of this bodes well for the team's future as 26 of the 30 athletes were underclassmen.

Individually several girls had outstanding seasons. Senior, Leigh Landry again won the Class C discus title. Junior, Cary Hollinshead won in the two mile event. Junior Melanie Turgeon also placed 5th in the shot put at the state meet.

The Sophomore and Freshmen classes also made their presence known. Sophomore Sarah Tremblay scored 141 points in her first year to rank 3rd on the team while strong contributions were also made by classmates Mary Murphy and Marcele Martin. The Freshmen class was not to be denied either. Katie Hawksley gained respect with her 2:30 time in the 800 meter run; Bethany Giles jumped 4'10" in the high jump, the first time for any freshman. Caitlyn Sullivan became the team's promising thrower as she qualified for the state tournament in the discus. Jessica Charbonneau completes this group running second only to Cary Hollinshead in both the 1 & 2 mile events.

Many more members of the squad made consistent timely contributions this season, thanks to captains Dawn Sears, Sarsha Braga, and Leigh Landry who will turn the baton of leadership to the 1992 captains Cary Hollinshead, Meg Sullivan, Carly Beauvais and Melanie Turgeon. Behind these captains the team should continue to enjoy the success past teams have enjoyed.

BOY'S TENNIS

As the tennis coach, I would like to extend my best wishes for future success to our graduating seniors. To the members of the tennis team, who will be returning, I appreciate your efforts at practice, and I hope to see you on the courts next year.

Our season was an outstanding display of personal effort. Each member of the team did their very best and demonstrated superior sportsmanship in both attitude and behavior. All our players not only proved to be excellent representatives of the school, but also and more importantly, portrayed themselves as outstanding individuals.

Once again I'd like to thank you for a wonderful year.

Front Row: Jessica Zajac, Brenda Szeliga, Missy Santos, Karen De moura, Michelle Brassill, Sarah Williams

Although involved in many close contests, the D-R Girl's Tennis Team could manage only three victories during the 1991 season. However, the team members had numerous individual successes. The leading performance was given by versatile junior Lindsay Carroll who chalked up one win at the second singles, one win at the third singles, seven wins at first doubles and one win at second doubles. Co-Captains Karen DeMoura and Missy Santos were exemplary leaders through the good and bad times. They and the other four Seniors on the team will be missed next season, but the remaining nucleus should lead the team to a bright future.

A Day In the Life of D-R Senior:

...all is quiet.---except for the occasional student who has yet to wake from his seventh period the day before, classrooms are empty. A custodian shuffles through the halls moaning softly as he considers all the challenging tasks awaiting him.

Suddenly, a rumbling is heard in the distance! Cars begin to screech around the school as teachers race students for the best parking spots...The rumbling grows as the first bus cuts through the early morning gloom, bringing with it it's precious cargo of forty smiling faces. As students vivaciously parade into the foyer, another day at D-R has begun.

After the usual five-times-around-the-school morning walk, students rush to their homerooms before the 7:40 bell. The voice of the senior class president comes over the P.A., followed by the familiar, "What did she say?" A bus arrives just late enough to mess up attendance, and the office spends most of home room period writing passes. Finally, first period begins and students settle in their classes.

It is not long before a teacher is banging his head against the wall, hopelessly pleading, "Are you going to wake up today? Please?" Study hall proctors pass out blankets and pillows to help the students settle down for a 45 minute nap.

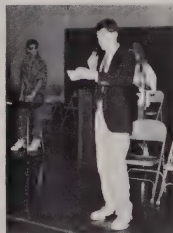

By 3rd period all are in anticipation of lunch (after all, breakfast WAS three hours ago!). As the magic hour approaches, activity becomes more obvious. Students who have not moved all morning suddenly show signs of life - a twitch, a snore, maybe even breathing. And when fifth period finally arrives, they may even manage to wake up for the awaited cafeteria lunch. What have they brewed up today?

Back to class, then on to sixth period to wait for announcements. This time it is the special guest of the day, sometimes Mr. Sawyer, Mr. Petrin, or even Mrs. Araujo. Will they call your name for office detention? Onto seventh period, the last of the day. If you are lucky maybe the team for which you play will have an away game or meet and you may be dismissed early! Seventh period wears on. You finally watch the dragging seconds go by until the clock reads 1:40 D-R time (It is really ten of two!).

Back to your lockers for the final gathering of books in which you should do homework. You promise yourself you will do it but, you never seem to get to it. Then, you race out to the parking lot to make plans for the evening and to find a ride home. The cars are all full! Hiding your face, you steal your way onto the bus at the last second. Then OUT OF HERE until tomorrow.

Two chicks goin' out on the town!

Senior supper once again introduced the beginning of senior priviledges. Dinner, compliments of the Cafeteria Staff, was followed by presentations of superlatives. Mr. Thayer's ever successful slide show drew the evening to a close, and many seniors left with a tear stained face. Everything went off without a hitch...with one exception: Unfortunately, the photographer did not make it, so the few pictures we have to offer came straight from student donations. All in all, the night was enjoyable for everyone.

FRIENDS

SEPARATING FRIENDS

As our senior year has come to pass,
Our high school days are now the past.
The choice we have been given is to move on,
To seek out our future and explore what lies beyond.

Although many of us are not ready to leave,
The way we've known for so long, we must move on.
The cherished memories of our true friends,
But we must move on.

All along we've known that our lives will separate,
And take us to places we've always dreamed.
I'll never forget the laughs, the tears, the joy and the fears that
we've shared.
Each and every step we've taken you've always been by my
side.

How can I ever thank you?
For the gift you give me each day?
Your friendship means more to me
Than words could ever say.

There were never times I would want to forget,
These times have given us much strength.
Strength that would carry us through the quarrels and the
hardships,
The strength that would make us all grow.

If anyone was to ask the recipe to a good friendship,
What would one say?
Ingredients include trust, honesty, love and respect,
The makings of an everlasting effect.

Is it sometime in the bonds of another
Or maybe it's fate that has brought us together.
Let us no longer fear the future but just remember the time
We've been given forever.

If your life shall take you afar,
Drop me a note or give me a call.
So we can reminisce about
All the precious times we've shared together.

As much as I wished
I could not stop the minutes
That have rushed our dwindling days.
I thank you for the memories we'll always treasure.

For you're a true friend
Whom I hope to see again.

REMEMBER

Now all is quiet, tranquil
the school is at rest.
The deserted corridors,
the closed windows,
the locked doors,
the empty desks & chairs,
the clean blackboards,
the gum beneath the desks,
the piles of books,
and the vacant courtyard.
All is peaceful yet if we listen
hard,
we can still hear the laughter.
And we look back,
and shed a tear
to all we've left behind us.
Yet with us we take something
more precious,
engraved in our hearts,
---all the memories of the Class
of 1991!

OUR YEARS TOGETHER

At first they said it would go by
so fast,
no one believed it, we just sat
there and laughed.
There were so many new faces
in the auditorium that day.
So many worried souls not
knowing their way.
We stumbled thru the hallways
trying to find our class,
nearly falling to pieces, we
found the path at last.
Most teachers seemed nice, and
some seemed mean,
that was but nothing, for there
was more to be seen.
The next day was to bring a
horrid mass,
of vengeful upperclassmen with
whom we freshmen seemed to
clash.
It was only the beginning of our
high school career,
from that point on we'd just
play it by ear.
.....That was four years ago and
now it's all but gone,
except for our beautiful
memories that I only pray will
live on.
The time has zipped by like a
bolt of lightning,
a new stage is come, it vows to
be frightening.
And now I say goodbye my
friends, it's time to part our
ways,
so cherish our great memories,
and wish for similar days.

HI GUYS!!!

This section is in recognition of a part of our school which is often, although not intentionally, overlooked by the rest of the school. The vocational guys take part in automotive, carpentry, architectural drawing, and machine shop. These guys are fun-loving and amusing with their various ways of fooling around with stunts such as leap-frogging through the courtyard, and hanging out in the "clubhouse". There is a serious side to each of them as well, and whenever you may need a hand, one of them, if not a group of them, will be there to help in any way the y can.

May 29, 1991
The Coachman Restaurant
Tiverton, R.I.

There was no graduation practice the next morning, so the night was ours! Our D.J., David Berube, who was also at the Class of 1991's Sophomore Semi, provided wonderful entertainment. The menu consisted of soup, salad, Chicken Cordon Bleu or roast beef, baked potato, corn, coffee & dessert. Few complaints were heard. Our favors were 'sporty little jars' -- first time D-R has ever seen them. We had a large dance floor and, it was packed! The tropical theme of our prom was highlighted by a waterfall, tropical flowers, and the colors of pink and teal everywhere in the room. The decor gave us this feeling of being on the "LOVE BOAT". I hope everyone had a great time!

Senior Awards Day

Robert T. Roy Medal

Sara Charnecki

The award is presented annually to the outstanding member of the senior class, i.e., the student who best demonstrates in his or her daily living those qualities exemplified and exhibited by Mr. Roy in his years of dedicated public service. These are: scholarship, honesty tempered with compassion, loyalty circumscribed by sportsmanship, dedication leavened by insight and humor, and achievement.

Sara's achievements and qualifications for this award are numerous. She is valedictorian of her class, and is a member of the National Honor Society. She has earned superior and outstanding academic awards each semester while in high school. She is the winner of the Rensselaer Medal, selected by our Mathematics and Science departments as being the best overall student in both those disciplines. She is a four-year member of the track team, elected co-captain in her senior year. She has been a foreign exchange student for two summers. Sara will be attending Colby College, majoring in science.

James A. Frates Award

Julie McBride

The award was established in 1979 in recognition of an outstanding educator, Mr. James Frates, who gave his entire professional life to serve the people of Dighton and Rehoboth. The award is presented to that member of the senior class and National Honor Society who best exemplifies those qualities of membership in the National Honor Society, i.e. leadership, scholarship, service, and character.

Julie is salutatorian of her class. She is the recipient of the chancellor's award at the University of Massachusetts, a full tuition scholarship for four years. She is the recipient of the Good Citizen Award given by the Daughters of the American Revolution. She is president of the National Honor Society. She is the news editor of the school newspaper. She has been a four year member of our softball team, including last year's state championship team. Julie will be attending Boston College, majoring in communications.

Graduation, June 2, 1991

Jennifer Biss

Karen Antonio

The class of 1991 is about to enter this adult world in a rather difficult time. Even though times are tough, we are tougher and we will be able to make it through. Life for us will change; we will no longer have the security of this close knit high school. Unexpected changes have already been brought upon us in the form of war, so far away, but yet so close to home. In these trying times we must never forget where we came from, never deny reality, and always live life for what it is worth.

As President of the class of 1991, a title I shall now hold forever, I see that this class has made an imprint on me. The memories of this, my graduating class, can never be replaced. Realizing that this is one of the most important times of our lives, all of us have an odd feeling deep down inside. We are leaving our life as we have known it, and are being forced out into a new environment. Many of us will never see each other again, but yet all of us have hopes, hopes to live successful lives after this afternoon. We are leaving so much behind, but still have a great deal to take with us that will never be forgotten.

Finally I have to say to the class of 1991, THANK YOU for all the great times and memories. I know everyone's face and name, and I am glad to have been a part of a school in which this is possible. Good luck to you all, and enjoy the life you are about to go out and find.

We are pleased to stand here now as a close-knit group. We have formed the bond that a sense of school spirit and class unity are intended to create. Certainly, each of us is an individual, but we are individuals reliant upon the presence and the reaction of one another. Now, through our high school graduation, we are faced with the opportunity and challenge of completely and honestly developing our singularity. Many of us have lived in the towns of Dighton and Rehoboth for all or most of our lives. The friendships formed in these communities and in this school are what we know best. Through our growth and our education, we have found the things which interest us, and the people to whom we can relate. We are secure here. But, this is only the beginning. We now must leave the familiar routine of high school so that we may take what we have learned and expand upon it. Whether we choose to attend college or to pursue a

vocation, we will be creating a new beginning for ourselves, and we will be providing ourselves with new opportunities. Everything we have learned in our lives, from teachers and parents and friends, has given us dreams and aspirations.

So much has changed in our lives. We have seen our dreams threatened by war and that frightening threat has caused us to look within ourselves for the conviction to never lose sight of our ambitions. We have learned to stand up for ourselves, but we have only learned this through the examples of others. We must feel confident that these examples have taught us well, and that we may now look to ourselves for the strength to stand alone. Through graduation, we intend not to break from the past, but to expand upon it. Andre' Gide said, "Man cannot discover new oceans unless he has the courage to lose sight of the shore." These are powerful and encouraging words as we close this stage of our lives. What we have learned thus far, in our academic studies and in our daily experiences, has given us the desire to know more. It takes courage to leave the comfortable pattern of the past twelve years of our lives, but our dreams are not composed of mere comfort. As a class, we have never been content to be average. We have set our goals high, so there was always something more for which to strive. As individuals, we can settle for no less. Our hopes lie in the future before us, and though we may stray from the life we know now, we go forth with the knowledge that our families and friends remained true, as constant presence as the shore beyond the horizon.

HONOR ESSAYS

Neilia Campos

Cheryl Digits

Andre' Gide once said, "Man cannot discover new oceans unless he has the courage to lose sight of the shore." Our new oceans is the unknown world which we have yet to encounter and explore. In these past four years, Dighton-Rehoboth has tried to prepare us for life after the process of education. The shore is our home, our town, and our security. It is this structure that you see before you, its halls and its teachers, but the time has come for us to leave these familiar surroundings. Some of us here after this day will begin future careers, will be going off to college at the end of the summer, or will have chosen to serve in the armed forces, but all of us will be beginning a new life. We will be building new homes, making new friends, and dreaming new dreams. Before that is done, though, we must lose sight of the shore and the most important element that we need is courage, and the courage comes from within us and from the support of our loved ones. This task that we undertake on this day is not easy or clear, but we are ready to take on that challenge because we have the courage that is needed. We, the class of 1991, must leave our shore of warmth behind and discover the new oceans of experiences that lie ahead of us. Good luck to the class of 1991 and thank you.

Welcome to the graduation exercises of the class of 1991. Between the time in which a child is born and her high school graduation, many changes occur. A child must take the chance of falling when she takes her first step or rides her first bike. Then the first day of school approaches, the child will now have to meet new people and to learn to accept others' personalities.

As Andre' Gide once said, "Man cannot discover new oceans unless he has the courage to lose sight of the shore." In order to increase one's knowledge and experience, a student must learn to accept life's challenges and to try to reach beyond her potential. Throughout high school everyone must work hard to achieve her own personal goals. It is required to study that extra hour, to run that extra mile, to pitch a few more balls merely to achieve personal excellence. To be just one of the crowd and to follow the rest is easy, but to pursue the task as an individual is indeed the true challenge. In high school one is given many chances to explore new areas, but one must accept the challenge to work to exceed her ability. Each person determines how much she wishes to acquire; this decision will determine how hard she is willing to work. One can only obtain as much knowledge as she wishes to work for. A person must be unafraid to leave behind the familiar in order to explore a new territory. As high school is coming to an abrupt ending and the familiar halls of this building will become a part of our past, we will all have to start our adult lives. Some of us will be going to college, others into the Armed Forces, and still others will enter the work

force; but every one of the class of 1991 will have to face new challenges and to accept them with a positive attitude that they will succeed.

For the past four years these graduates sitting before you have worked as a team in sharing the good and the bad times. Each and every student has worked hard to attain this magnificent feat. Each student has had ups and downs, but all have survived the challenge. Now, as we close the book on our high school career, we shall look forward to the new and exciting adventures which await us. Though we shall never forget the fond memories of these past years, we must learn to accept them as memories and to continue with our future lives. Our education at Dighton-Rehoboth has prepared us for our future. We must now learn to use this knowledge as the basis upon which to solve any problems that obstruct our path of success. As our last day within the walls of our beloved school comes to a close, we should not fear what is to come; instead, we should look boldly toward every tomorrow.

WHERE THE ROADS COME TOGETHER

ANONYMOUS

None of us are born the same,
We don't know why; it's the way we came.
Every heart beats a little differently,
Each soul is free to find it's way,
Like a river that winds its way to the sea.
For life is a journey and there are many roads beneath the sky,
And there are many good people who don't see eye to eye.
Not every man can sing your tune; from where he stands, there's another view.
With every turn we're learning more,
And perhaps we'll find that the walls we build are only in the mind.

There are many roads to go, and they go by many names.
They don't all go the same way, but they get there all the same.
And I have a feeling that we'll meet someday,
Where the roads come together up the way.....

To the Class of 1991:

It's been a fun four years, and I'm glad to have had the pleasure of helping coordinate our class's yearbook of memories. I'd like to thank Mr. Harwood for all his help, and putting up with our moodiness. Jenn, you deserve a lot of credit-- just don't say "oops". We've put in a TON of long hours - thanks to all these well wishers who stopped by the science office to see how the yearbook was coming along, to chat, and to offer words of encouragement when we were at our wit's end. As editors, we've tried our best to vary ideas, write-ups and candid. You all know the saying "You can please some of the people all the time, and all the people some of the time, but you can't please all the people all the time." Well, we've tried our best, and we hope you are all as satisfied with this yearbook as we, the editors, are! Best of luck to all.

Thank You,
Bethany Suzanne Coburn

To the Class of 1991:

I would like to thank Mr. Harwood for his greatly appreciated assistance--- I hope I didn't make him too nervous. I would also like to thank everyone else who gave up time and energy helping on this great project. This could not have been completed with out you! Beth, thanks a billion, I just have to say "oops I goofed!" (ha-ha). Finally to the graduated class of 1991, thanks for all the everlasting memories! We are a class that sticks together, but time and distance could break those bonds. Don't let this happen. This class is a special class. We always want to go one step beyond. I wish you luck in the future. If you ever want to chat or get together, look me up or give me a call. Love ya.

Sincerely,
Jennifer Lynn Biss
